Re: **Certification of CPNI Filing (February 6, 2006)**
EB-06-TC-060
WC Docket No. 05-196

This is to certify that **Pine Tree Networks** has created, implemented and reviews annually all safeguards against mishandling of CPNI (customer proprietary network information).

* All customers are provided both verbal and written notification of CPNI use on an ongoing annual basis.

* As part of continuous employee training, CPNI is integrated in the training manuals and during annual training sessions.

* CPNI information is securely maintained in our databases for at least one year.

* While limited authorization is provided to managers, recent disclosure of CPNI has not been provided to third parties.

I, Dan Suda, Senior Director of Operations, am authorized to make this certification, on behalf of the company named, have knowledge that adequate procedures have been established and such procedures comply with the rules governing safeguards for use of customer proprietary network information. This certification is for the study area(s) listed below:
